ACTIVITIES

Your family member might spend one day participating in a morning mental workout, taking a flower-arranging workshop and then enjoying an ice cream social. The next day may bring something different, like a light nature walk followed by bread baking and arts and crafts. You can rest easy knowing each day presents more chances for your loved one to experience a life rich in meaning and purpose.

DINING

We've designed a warm and welcoming dining experience where your loved one can enjoy homestyle meals each day. We use mealtime as an opportunity to offer healthy menu choices and create a sense of belonging. Our residents enjoy dementia-friendly menus with familiar and easy-to-manage selections, small dining rooms with consistent pre-selected seating and personal dining assistance as needed.
