ACTIVITIES

To build your best life, you're going to want options for great ways to spend your great days. We've got you covered. Your mornings might be taken up with our signature B-Fit fitness group. Afternoons might be taken up with trivia competitions, or pamper-friendly activities like getting your nails done at our in-house beauty parlor. And evenings might be spent out on our courtyard with great friends, or movie nights complete with fresh, hot popcorn.

DINING

We believe dining well is part of living well. With entrees like tarragon chicken, stuffed shells and Cuban roast pork loin, you'll see that you are, indeed, living well. So stop worrying about the dishes and instead enjoy restaurant-style dining with chef-prepared meals in our elegant, well-appointed dining room. You can even join our dining chats and provide your feedback and suggestions as we discuss upcoming menu options.
