ACTIVITIES

It's going to be a lot easier to build your best life if you have options for how to spend it. Fortunately, we have you covered. Our events and activities team provides a brand new list of options every single day. Before you know it, you'll be taking in a Monday afternoon ukulele sing-along, a Tuesday morning donut social, or jumping in on a trip to town for a lunch outing. You can also connect with other residents over shared interests in our creative writing group or Scrabble group.

DINING

We focus on creating a memorable dining experience and work to include your requests, your suggestions, and even your family recipes in our dining program. You'll enjoy delicious, restaurant-style meals in our elegant dining room with seasonal menu options that change each day. That means you can order what you want and then sit back and enjoy the conversations at your table. And if you have special dietary requests, we may have an option for you.
