

EXCEPTIONAL SENIOR LIVING

Brookdale Scotts Valley could be the perfect place for you. From spacious accommodations and elegant common rooms to personalized care and a fun-filled events calendar, this is the place where you can thrive. Our community is surrounded by walking trails, convenient to medical appointments, walking distance to the farmers market and across the street from Sky Park.

- Quality services such as cooking, cleaning and home maintenance so that you can do more of what you love.
- Assistance with daily tasks like getting dressed, monitoring your medication or managing special health needs.
- Our dedicated staff is available 24/7 to be alerted to emergencies.

ACTIVITIES

Our calendar of activities isn't just a list of things to do. We take time to get to know you so that community activities reflect your interests. Wake up and enjoy a cup of coffee and then an early morning fitness class. Or you can join the book club, show off your skills in a competitive round of dominoes, take an art class, attend live musical performances or go on outings to local restaurants and shopping centers before circling up with your friends for an evening movie and popcorn.

ENJOY GREAT DINING EXPERIENCES

You'll enjoy three restaurant-style meals prepared each day and shared in the group dining room with friends and family. We create a memorable dining experience with meals prepared by a culinary team passionate about great food. Plus, we can offer nutritional support and recommendations to help make sure your meals are healthy and delicious. So if you have special dietary requests, we may have an option for you.
