ACTIVITIES

You can say yes to dancing and movie night. You can also sing your favorite hymns, connect with neighbors at a Mix & Mingle social or play a game of bingo. We want you to have time to focus on what matters most to you. Whether that's an arts and crafts workshop or a board game tournament with your neighbors, it's about redefining your independence with new friendships and exploring new passions.

DINING

Great food and good nutrition are important. That's why we have a Culinary Arts Institute, a professional development program designed for our culinary teams to help them create great dining experiences for you and your neighbors. We also make our dining program all about you and consider your menu requests, your favorite recipes and your feedback. Plus, we have a private dining room that is available to residents for family visits and private parties.
