## ACTIVITIES

Bingo, music programs, fun fitness classes and wine and cheese socials are just a few activities you could enjoy if you lived here. Memory care residents have exciting choices for activities, too. Karaoke, art and lemonade meet-ups and the kitchen club are a few examples of what you or your loved one could enjoy here. We offer six planned programs per day to empower our memory care residents with confidence and security.

## DINING

We serve meals restaurant-style in our elegant dining room so you can order what you want and enjoy conversation with others at your table. The best part: you never have to wash dishes when you're done with your meal. For memory care residents, we also use mealtime as an opportunity to offer healthy and delicious menu choices and create a sense of belonging. We support our memory care residents by enhancing the dining experience with music, centerpieces and warm, scented hand towels.
