ACTIVITIES

With activity calendars tailored to their care needs and skill levels, our assisted living and memory care residents have opportunities to connect with friends and neighbors. Whether you're joining the gardening club or meeting friends to play cards or bingo, each day is an exciting possibility, filled with activities and programs. And our memory care residents enjoy activities like crafting, socializing at get-togethers, karaoke and more.

ENJOY GREAT DINING EXPERIENCES

With our restaurant-style dining, you can enjoy the convenience of healthy and delicious meals each day. And we'll take care of the dishes! We create memorable dining experiences with dishes prepared by a culinary team that is passionate about great food. Our memory care residents typically sit down to eat at the same time and in the same seat to avoid unnecessary stress or confusion and to promote as much independence as possible.
