ACTIVITIES

You might start your days with one of our nature walks or our signature B-Fit fitness program. The highlight of your Sundays might be our crafts meet-up. Fridays might be reserved for your Wii bowling league, or, when they're in season, off-site trips to the ballpark to see the Rays might be just your style. However you choose to spend your days, you can be sure that you'll have friends to share the fun with you. We think that's what really makes for a full life!

DINING

Enjoy a dining program that is like going out with friends to eat at your favorite restaurant every day, minus the "going out" part. Our menus are about you and may include your menu requests, your favorite recipes, and your feedback. We create memorable dining experiences with healthy, delicious meals made with seasonal ingredients. If you have special dietary requests like low sodium or diabetic-friendly dishes, our culinary team may have an option for you.
