ACTIVITIES

Silver Sneakers, karaoke, crafting and B-Fit fitness class are just a few of the activities our residents enjoy here. Maybe you'll find them playing cards, getting coffee with a friend, relaxing in our enclosed outdoor courtyard or attending movie nights. We also have bowling, games like Name That Tune, devotional services and cooking classes. Each of these activities is part of a carefully designed care program to help our residents live their best life.

DINING

Our dining program includes dementia-friendly menus, nutritious meals and personalized dining assistance whenever needed. Residents in our community typically sit down to eat at the same time and in the same seat for each meal to avoid unnecessary stress and confusion. Your loved one's dining experience will even be enhanced with music, beautiful centerpieces, nice linens and warm, scented hand towels.
