ACTIVITIES

Studies show close relationships play an integral role in aging well. Assisted living residents can socialize at ice cream socials, wine-down Wednesdays, trivia, and mix and mingle events. Our memory care residents also stay connected with a gentle daily structure of social activities throughout the day. Dancing, the walking club and karaoke are just a few of the activities offered. And when they're not feeling particularly social, residents can try a calm coloring class.

DINING

Our culinary team is passionate about creating exciting menus and delicious meals with fresh, seasonal ingredients. Whether you're enjoying our restaurant-style dining experience or celebrating with friends and family in the private dining room, we want you to eat well and live well. Your family member will enjoy personal dining assistance as needed, dementia-friendly menus with familiar and easy-to-manage selections, and small dining rooms with consistent pre-selected seating.
