ACTIVITIES

When you visit Brookdale Tyler South, you'll see our residents engaged in activities like golf and darts, crafting classes, dancing, woodworking, taking in nature along our walking paths, or enjoying music programs or spa days. Or maybe you'll find them joining a devotional reading, playing cards, getting coffee with a friend or gardening. Each of these activities is part of a carefully designed care program to help your family member live their best life.

DINING

Three home-style meals and delicious snacks are served daily in our dining area. To help alleviate any confusion or added stress, we keep mealtimes very routine for your loved one. All residents sit together at the same time and same table each day. We also customize place settings for each resident for an easier dining experience, and we can quickly convert meals to hand-held for those who prefer walking or standing rather than sitting.
