ACTIVITIES

Do you want to join the knitting group or a poker game? Or both? Maybe you've always wanted to try yoga. Now you can. How about some game time with chess or bingo in the game room? Or gardening in the courtyard? We even have our own on-site theater so you can skip the lines and get a front-row seat. You can be as involved as much or as little as you choose. If you need to run errands but prefer not to drive, use our scheduled transportation services to get where you need to go.

DINING

Great meals matter. That's why you'll enjoy delicious and healthy restaurant-style meals in our elegant dining room. Our menus are about you and may include your menu requests, your favorite recipes, and your feedback. If you have special dietary requests, we may have an option for you, as our culinary team can create menu options to meet different needs.
