ACTIVITIES

Spend mornings exercising with your favorite fitness group in our signature B-Fit program, afternoons playing Word Jumbles and evenings solving puzzles in the game room. Whatever activities you choose to fill your days with, we think you'll find the people you share them with are what really make the difference. Our memory care residents experience more structure and guidance as they engage in programs that tap into current skills and support meaningful moments.

DINING

As a resident, you can enjoy delicious and nutritionally-balanced meals in our elegant dining room. Have a suggestion? Join our monthly menu chats when you can provide feedback and even recommend family recipes. We also use mealtime to create a sense of belonging for our memory care residents. Your family member can benefit from personal dining assistance as needed and consistent seating that encourages familiarity and socialization.
