ACTIVITIES

Each day at Brookdale Vista brings anything but the ordinary. You and your friends might mix and mingle at one of our socials, engage in a rousing game of cards, work on art projects or gather for a classic movie. If you want to improve your overall health, you can take fitness classes for your body and brain. If you like getting out and around, we love going to local restaurants and shops.

DINING

We focus on creating memorable dining experiences for our residents. Our chefs prepare flavorful, refined meals such as pork chops with raspberry sauce, baked ham with cherry sauce and pineapple teriyaki chicken thighs. Meals are served restaurant-style so you can order what you want and enjoy conversation with others at your table. And you can join our monthly menu chats where we try to incorporate your requests, suggestions, and even your family recipes.
