Exceptional Senior Living

Perhaps you once dared to dream about a carefree life. Now you can live that dream at Brookdale Watauga, an assisted living retirement community for seniors. Our community, located in Watauga, Texas, near Fort Worth, is designed to help you with personal needs such as bathing or dressing, so you can spend the rest of the day doing what you want, without a care in the world.

Connect with other seniors who share similar interests and life experiences to enjoy a social and active life. Then, when you need quiet time, you can retreat to the comfort of your private apartment. Our charming one-story building is located on beautifully landscaped grounds, providing a calm backdrop to retreat to. And we're conveniently around the corner from local restaurants, shops, medical providers and several area parks, including Arcadia Trail Park and Capp Smith Park. And there's always the security of knowing that our staff is available 24 hours a day, seven days a week, to be alerted to an emergency.
