## ACTIVITIES

Ready to practice your swing at the golf course just across the street? Or maybe you want to express your creative side in our arts & crafts studio. Gather with friends, neighbors and family on the rooftop terrace deck to drink wine and enjoy stunning sunsets or participate in a friendly game of cards. You can also try fitness classes to boost your body and brain or join the book club. With a cityscape in your backyard, you can venture into the city to shop, dine, or visit nearby attractions.

## DINING

Our menus are all about you. We focus on creating a memorable dining experience and work to include your requests, suggestions and family recipes in our dining program. You'll enjoy delicious, restaurant-style meals in our elegant dining room with seasonal menu options that change each day. That means you can order what you want and then enjoy the conversations at your table. And if you have special dietary requests, we may have an option for you.
