## ACTIVITIES

If you're ready to upgrade your retirement experience, you are going to love our community's vacation-style amenities and fun-filled community calendar. Devotional services, afternoon strolls, trivia games and Rummikub are just a few activities you could enjoy if you lived here. Memory care residents have exciting choices for activities, too. We offer six planned programs per day, including things like arts and crafts, iPad games and sing-a-longs.

## DINING

We serve meals restaurant-style in our elegant dining room so you can order what you want and enjoy conversation with others at your table. For memory care residents, we use mealtime as an opportunity to offer healthy, delicious menu choices and create a sense of belonging. We support your loved one's interest in food by enhancing the dining experience with music, centerpieces and warm, scented hand towels.
