

SENIOR LIVING IN WESTLAKE

This is what peace of mind with personality looks like. At Brookdale Westlake Village in Westlake, Ohio, our continuing care retirement community (CCRC) offers four levels of care—including independent living, assisted living, memory care and skilled nursing—so you can focus on living well, today and tomorrow.

- Cast a line at the fishing pond, get creative in the art studio or head out for a round of golf.
- Let go of maintenance and focus on the fun—we've got the rest covered.
- A friendly staff member is on-site 24/7 for alerts should an emergency arise.
