Card games, corn hole and art classes — you get to choose! And there's something for everyone with activities tailored to residents' interests and abilities. Memory care residents enjoy an exciting calendar with a little more structure and routine. Our care team will gently guide them through six activities a day, encouraging them to maintain their cognitive abilities and skills as much as possible.

Our well-trained culinary staff helps ensure meals are nutritionally balanced and support your health and well-being. You can enjoy home-cooked entrees served restaurant-style in our warm and friendly dining room. And our memory care residents will enjoy dementia-friendly menus with familiar and easy-to-manage selections, small dining rooms with consistent pre-selected seating and personal dining assistance as needed.
