ACTIVITIES

Shopping trips, outings to local attractions, mix and mingle socials and devotional services are just a few examples of the activities we offer to engage your mind, body and spirit. And if there's something you would like to see on the calendar, just let us know. Our calendars reflect our residents' interests, and there's something for everyone. Your retirement should be your chance to write a new life chapter and try new adventures, and we're here to help make that happen.

DINING

With our restaurant-style dining, you can enjoy the convenience of tasty and healthy meals. And we'll take care of the dishes! We create memorable dining experiences with dishes prepared by a culinary team passionate about great food. If you have special dietary requests, we may have an option for you. We'll also try to include your requests or suggestions in our menus. In addition, we have a pub where you can pick up light snacks throughout the day.
