ACTIVITIES

There's a lot for you to love here, and our social calendar is just one of them. From walking club and B-Fit exercise classes to trivia and movie nights, you'll have no shortage of fun and engaging activities to choose from. As a resident here, you won't have to leave to get your nails done or take a painting class. You can do that right here on campus. Maybe you want to work in our courtyard garden or get creative with a crafting class. The choice is yours, and we make it easy.

DINING

Make lunch at home or head to the dining room where every meal feels like an outing with friends, minus the "going out" part. Our menus are all about you and may include your menu requests, favorite recipes and feedback. Our culinary team creates healthy, delicious meals with fresh, local seasonal ingredients when possible. And if you have special dietary requests, we can take care of those for you, too.
