ACTIVITIES

When you make yourself at home at our warm and welcoming community, good times will never feel far away. If you enjoy spending time with friends over a cup of coffee, you may want to meet up in the café. Perhaps you would rather join your health-conscious buddies for one of our signature programs or a challenging yoga class that stretches you to build your muscles and increase your flexibility. No matter what you enjoy, we have something for you.

DINING

A great meal is one of life's simple pleasures. Enjoy a dining program that is like going out with friends to eat at your favorite restaurant every day, minus the "going out" part. Our menus are all about you and may include your menu requests, your favorite recipes and your feedback. Our passionate culinary team takes great meals seriously. But our menus are more than meals. Here, we create memorable dining experiences with healthy, delicious meals made with seasonal ingredients.
