ACTIVITIES

On any given day, you'll see our residents enjoying outdoor programs like gardening, as well as indoor bean-bag toss, karaoke and painting. Maybe you'll find them gathering for parties, getting coffee with a friend or attending movie nights. They're having fun, yes. But each of these activities is part of a carefully designed care program to help your loved one live their best life.

DINING

Three home-style meals and delicious snacks are served daily in our dining area. To help alleviate any confusion or added stress, we keep mealtimes very routine for your loved one. All residents sit together at the same time and same table each day. We also customize place settings for each resident for an easier dining experience, and we can quickly convert meals to hand-held for those who prefer walking or standing, rather than sitting.
